

Fundraising Committee – Cynthia Griffin and Jamie Lovett, Co-Chairs

The fundraising committee's members are responsible for creating, implementing, and managing fundraising. They oversee all fundraising activities, from planning events to seeking various types of donations to support our organization. Donations can come in various forms, from cash to in-kind donations of goods and services. The committee maintains records of all donations and grants. The fundraising committee is also responsible for the research and writing of grants. Understanding all aspects of projects is vital for members of this committee; sometimes we have to step back and look at the entire project while also considering the individual pieces that make the whole. Every donation, no matter how small, can make a significant impact.
