

Historic Preservation Committee – Ryan Arvay, Chair

The Historic Preservation Committee is a vital body focused on the protection and enhancement of our community's rich heritage. This committee works tirelessly to identify, document, and preserve historically significant buildings, landmarks, and cultural artifacts within our town. Their mission is to safeguard our shared history by advocating for preservation policies, offering expertise in restoration projects and promoting educational initiatives that celebrate our unique heritage. By collaborating with local government, organizations, and residents, this committee ensures that the past continues to enrich our present and future.
