

McLean - Died at her home on Wednesday August 16th at 2 P.M. ¹⁹⁰⁵ Mary A McLean, wife of J. F. McLean aged 68 years. She joined Antioch Church August 9th 1871, and was baptized by J. D. Dodes Aug 13th In 1888. She with others, withdrew from that Church, and constituted Harmony Grove - now Woolsey Church - where she proved a faithful and devoted member.

Our Sister was noted for her bright and lovely disposition, bring cheer and animation to all she came in contact with; dispelling gloom and sorrow, as much as possible in sorrowing homes. But it was in her own home circle that the beautiful traits of character shone the brightest. There in her own quiet ^{and cheerful} way she taught her children and grand children many beautiful lessons which they will never forget.

And none ever received more encouragement than her husband in his work.

Her life here was beautiful indeed.

We extend sympathies to the husband and children in their great loss.
